Nuts and Bolts / Webmaster report by Wayne Pike

Ready to compile next report

Wayne wants to present the positive spin of joint venture with NAFBAS. This has been a good development with this group.

Will consider putting exchange of ideas or conference topics on web page

Deb Pike reported:

12000 visitors to the web

8 new conference pictures on web

Updated Jay’s info

***National Farm and Ranch Business Management Education Association  
Fall Board Meeting  
September 28, 29, & 30, 2005***

Secretary Luke Baker had to leave at 4:45 PM and requested Jay Olson to take minutes for the remainder of the meeting.

Farm Management Minutes were presented by:

Jim Kelm, Marketing Spreadsheet  
Jay Olson, Crop Income Graph Spreadsheet  
John Woodford, On-Farm Instructional Record  
Ron Dvergsten, Leadership Evaluation  
Tim Holtquist, DIDC Personality Profile

The meeting was recessed at 6:00 PM.

The meeting was reconvened at 8:00 AM on September 30th in the Kansas Room. A continental breakfast with hot sandwiches was served in the meeting.

Wayne Pike and Tim gave an update on the National Institute. An E-Mail was distributed from Dr. Clark Hanson with Prospectus from SDSU. Tim will visit with Dr. Hanson and Dale Nordquist further.

Tim Holtquist gave a report on the Industry Relations/Alliances Committee. Tim will contact Dean Meir with John Deere University as a potential conference sponsor. AgStar, Land-O-Lakes, and others will also be contacted. Ron Dvergsten will submit an application with CHS as a Nuts and Bolts sponsor. Jim Kelm will contact National Crop Insurance. Gary Thome will assist with this process.

Deb Pike reported on the Resources Committee. The Resource Library is not up yet, but Deb will follow up with this activity and look at adding the Exchange of Ideas entries. The Farm Management Minutes are being saved for future display on the web site. Laurie Morris will contact Charles Duel to review his progress with the Resource Library.

John Woodford moved that we explore the possibility of having the Resource Committee and the NAFBAS Technology Committee work together. Gary Thome seconded the motion. The motion carried.

Rich Baumann reported on the National Council activities and will be meeting in Indianapolis later. Public relations activities were discussed. Science Curriculum is being reviewed to be integrated into Agricultural Education. Rich presented a survey on Issues and Trends in School-Based Agricultural Education that can be completed and returned to Rich.

Tim Holtquist asked Gary Thome and Rich Baumann, as NFRBMEA members, to meet with members of NAFBAS and the North Central Extension Economists to pursue future joint activities. Jim Kelm will communicate with Bob Rhea concerning this cooperative activity.

Jim Kelm moved to fund up to \$350 of Bob Rhea's trip to pursue having the 2008 conference in California. Ron Dvergsten seconded the motion. The motion carried.

Laurie Morris presented a Farm Management Minute on Monday Morning Leadership.

Dates and times of future conference calls will be communicated by E-Mail.

Jim Kelm moved to adjourn the meeting. Ron Dvergsten seconded the motion. The meeting was adjourned at 10:00 AM on Thursday September 29, 2005.

Board members transported to the Farm Credit Services building in Omaha for a tour and a brief meeting with FCS staff completing at 11:30 AM.

Respectfully Submitted,

Jay M. Olson, Acting Secretary

Luke Baker, Secretary

Laurie's historian activities report wondered about validity of job position  
Laurie didn't want to be financial burden by attending all functions  
Discussion concerning preserving our portion of activities is still very important  
Consensus to keep position active
